Title III

No. 17 BK 3283-LTS
(Jointly Administered)

This filing relates to the
Commonwealth and ERS.

Response to Objection to Claim:

Debtors alleges that under the laws of Puerto Rico all benefits arising from Municipality were transferred and made part of the obligations by the State Police.

The years worked for the municipality constitutes a threshold for the years of pension requirements as a whole. It is not a separate or independent amount. The State Police is responsible for all amounts.
